

THERMAL EQUIPMENT SALES LINE CARD

1-800-928-8111

www.ThermalEQ.com

DAIKIN AC: VRV Multi-Zone Split & Large Capacity Ductless Split Systems

DAIKIN APPLIED (formerly McQuay): RTU's, AHU's, PTAC's, WSHP's, Geothermal, Chillers & Coils

RAPID ENGINEERING: Industrial Process and Finishing Equipment

DADANCO: Active Chilled Beams

GOVERNAIR: Custom Air Conditioning Units, Air Handlers & Chillers

HUNTAIR: Custom Air Handlers, "Fanwall Technology", "Cleansuite" & Clean Room Products

VENMAR CES: Packaged / Custom ERV, Vertical UV, Pre-Conditioners & Energy Recovery

VENTROL: Custom AHU's, Knock-Down Construction & Hybrid Foam Thermal Break

TEMTROL: Custom Air Handlers & Coils

MAMMOTH: Custom RTU's, VAV A/C, AHU's, Penthouse Systems & Energy Recovery

ENVIROTEC: Constant / VAV Boxes, FCU's & Small Air Handlers

NAILOR: Constant / VAV Boxes

EBTRON: Airflow Measuring Systems

PURAFIL: Odor and Corrosion Control

RAYWALL: TPI Company for Electric Heaters

STERLING HEATING: Direct / Indirect Gas Heating & Industrial Make-Up Air

STERLING RADIATOR: Fin Tube, Unit Heaters, Convectors & Radiant Ceiling Panels

WATER FURNACE: Geothermal or Water Source Heat Pump Systems & Modular Chillers

ALDES: Heat & Energy Recovery and Make-Up Air Equipment

ADDISON: Custom or Semi-Custom HVAC-R Equipment

BULLDOG: Full line of Heat Pumps

CLIMACOOL: Modular Chillers and Packaged Rooftop Units

United CoolAir: Commercial Packaged and Split Modular Indoor Systems

SERESCO: Pool / Industrial Dehumidification & Water Heating

TEMSPEC: UV & Heat Pump Products for High-Rise & Classroom Applications

DATA AIRE: Data Center and Computer Room Customizable Precision Cooling

WATTMASTER/ORION: DDC Controls with Embedded Applications for Single HVAC Units or Fully Networked Systems

COLMAC: Domestic Water Heaters, Water Source Heat Pump & Heat Pipes

IMI FLOW DESIGN: AutoFlow, FlowSet / VersaFlow Self-Balancing & Flexible Hose Kits

GLOBAL PLASMA SOLUTIONS: Ionization Equipment

UV RESOURCES: Full line of UV-C products

TSI: Precision Measurement Instrumentation with Unsurpassed Accuracy and Reliability

VICONICS: Communicating and Non-Communicating HVAC Control Products
